

## RESULTS OF SUN IN ELEVENTH HOUSE (TVASTA- AADITYA)

Dear friends,

Hearty welcome to “planetsandyou.in” astrology website. The present topic is Sun in eleventh house and its impact on the individuals who have such a placement of Sun. I would like to inform you, inter alia, about a lesser known concept of Sun in eleventh house of natal horoscope or in the sign of “Aquarius” which is the 11<sup>th</sup> sign of natural Zodiac. I came across this topic of “Dwaadasa Adityas” in “Jaimini Upadesa Sutram” of Sri Sanjay Rath, a renowned astrologer from the school of Sri Achyutananda dasa tradition of Orissa and a great teacher of Vedic or Indian astrology.

Sun has 12 distinct forms of manifestation called “Dwadasa Adityas”. These Adityas are twelve sons of Rishi Kashyapa and his wife Aditi, Hence they are called Adityas. When Sun is in eleventh house of a natal horoscope of an individual or in the sign of “Aquarius”, i.e. the eleventh house of natural Zodiac, that form of manifestation is called “Tvasta”.

**Here one thing is to be noted. Only for “ Mesha lagna” the houses of personal chart and natural zodiac match. For all other lagnas, there will be mismatch. In such cases, the manifestation of Sun in the personal chart applies for his self and the manifestation of Sun as per natural zodiac is his public image, i.e. as seen by others.**

Tvasta –Aaditya shows the power of skill and innovation leading to higher gains. Vishwakarma, the architect of devas is known as Tvasta -Aditya and is the giver of all skills and crafts for every kind of creative ability in addition to medha(creative intelligence). He demands self- sacrifice and karma yoga. This form of Aditya corresponds to 11<sup>th</sup> house which is labha bhava. In natural zodiac it is “Aquarius”.

In the natal chart of Michael Gorbachev, Sun is in Aquarius with Mercury, the lord of ascendant. Such people can be craftsmen of great works. Having come to power after three heads of state died, he was propelled as the head of a failed state. His tenure was not a bed roses either. Gorbachev, without renouncing communism, ushered in a new world order with his “**Glasnost**” ( a policy of more open and consultative government with wider dissemination of information) and “**Perestroika**”( a policy of restructuring or reforming the economic and political system) as ideas of democracy and free thought crept

back into the USSR. However, finally USSR collapsed and fragmented into different countries. Even then, we cannot ignore the fact that he endeavoured to usher in a new political order in his country. Tvasta Aditya in his chart played this role.

Now let us look at some of the results attributed in classical Indian Astrological texts, to Sun in the eleventh house of natal charts.

**Brihajjataka:** “*laabhe prabhuta dhanavaan*” ( Native will be very rich)

**Bhrigusutram:** “*Bahu dhanyavaan, panchavimsati varshe vaahanastithihi, dhan vaagjaala dravyarjana samardhaha, Prabhu jwarita bhrutujana snehaha, paapayute bahu dhaanya vyayah, vaahana heenaha, swakshetre, swochhe adhika praabalyam, vahanesayute bahukshetre vittadhikaarah, vaahana yogee bahu bhaagyavaan.*” (If Sun is in 11<sup>th</sup> house, the native will have substantial income, in his 25<sup>th</sup> year he will get a vehicle. By the use of his wealth and diplomatic talk, he will acquire more wealth. He will suffer from some serious kind of fever. Will have cordial relations with his employees. If Sun is with a malefic, his expenditure will be high and will be without conveyance. If Sun is in own house or in exaltation, his wealth will be immense. If Sun is conjunct with 4<sup>th</sup> lord, his income will be from many places and will acquire many conveyances and will be fortunate.)

**Vaidyanatha Deekshita:** “*bhaanou laabha gatetu vitta vipulaha stree putra dasaanvitaha*” ( The native will have immense wealth and will have spouse, children and servants)

**Kalyana Varma:** “*Sanchayanirato balavaan Dweshyaha Preshyo vibhrutyascha ekaadase vidheyaha priyarahitaha siddha karmaacha*” ( Always focussed on amassing wealth, powerful, will hate others, will be without servants, will stick to his words, servile, and will get his works done.

**Dr.B.V.Raman:** Learned, wealthy, stately and persevering, success without much effort, famous, many enemies, wealth through fair means, good reputation, profound insight, capacity to befriend, many political enemies, man of principles, great sagacity, great success and position.

In general, Sun will give good results in upachaya houses and more so in the most powerful upachaya house.
